

Better Health... Bigger Savings!

Welcome to Mercy Hospital's Freedom Program.

Our Freedom Program has been designed to help you improve your health and purchase medications at the lowest prices. At Mercy Hospital, we believe prevention is the best way to fight disease, which is why our program offers you:

- Great savings on your prescriptions. Savings of up to 60% from pharmacy prices on your prescription drugs.
- Prescriptions delivered right to your doorstep.
- A personalized road map that outlines the steps you should take with your own primary care physician to maintain good health, as well as, other important health information.

So, if improving your health and well-being is a priority, while also saving up to 60% on your medications, the Mercy Freedom Program is right for you.
